ALLERMYL® SHAMPOO

Virbac

DERMATOLOGY

FOR DOGS AND CATS

SOOTHING

CLEANSING

ANTI-PRURITIC

MICRO-EMULSION

DYE AND FRAGRANCE FREE

ALLERMYL® Shampoo is a unique foaming micro-emulsion formulated for the management of allergic skin conditions in dogs and cats. It contains a soothing combination of natural anti-inflammatory ingredients, mild cleansing agents, and essential fatty acids. The foaming micro-emulsion helps the ingredients penetrate the skin for deep, soothing relief.

USES

ALLERMYL Shampoo is used for the topical management of allergic skin conditions. It relieves irritation and itching, has a beneficial effect on damaged skin, and cleanses the epidermis. It is specially formulated to meet the needs of dogs and cats with allergic skin disease, by combining ingredients that help maintain skin integrity and natural balance.

CONTAINS

Water, cocoamphodiacetate, sodium lauryl sulfate, sodium alkyl ether sulfate, propylene glycol, PEG-8 caprylic/capric glycerides, propylene glycol laurate, vitamin F (source of essential fatty acids), tocopheryl acetate, piroctone olamine, sodium chloride, chlorhexidine gluconate, and L-rhamnose.

DIRECTIONS FOR USE

Shake well before use. Due to the fluid nature of the product, pouring ALLERMYL Shampoo onto your hand prior to application is not recommended. Wet the hair coat with warm water, invert bottle and apply a thin line of shampoo from the base of the neck to the base of the tail. Massage **ALLERMYL** Shampoo into wet hair coat, lather well. Allow **ALLERMYL** Shampoo to remain on the hair coat for 5 to 10 minutes. Rinse thoroughly with water.

Frequency of use: 2 to 3 applications per week for 2 weeks, then as directed by your veterinarian.

WARNING

Keep out of the reach of children. Wash hands after using.

CAUTION

For animal use only. For topical use only. Avoid contact with eyes. In case of contact, flush eyes with water and seek medical attention if irritation persists.

STORAGE

Store at room temperature. Avoid prolonged exposure to excessive heat.

AVAILABLE THROUGH LICENSED VETERINARIANS ONLY
