

Butler Schein Tear Stain Remover

Butler

Ophthalmic Rinse

Active Ingredient(s): Contents: Water, boric acid, zinc sulfate, glycerin, camphor.

Indications: An aid in cleaning the eye and removing eye stains.

Dosage and Administration: EYE RINSE should be used by applying a few drops to each eye three or four times daily for optimum cleansing. For eye stains, apply a few drops to each eye once daily. Moisten facial tissue or cotton with EYE RINSE and gently rub stained area below the eyes. Repeat daily or as directed by your veterinarian.

Caution(s): For veterinary use only.

Keep out of reach of children.
