COMPOSURE™ EQ PASTE

Vetri-Science

FOR HORSES

Veterinarian Approved

National Animal Supplement Council

THE BENCHMARK OF QUALITY™

A Calming Support Formula For Horses

For use in horses only.

Composure™ EQ Paste is recommended for horses exposed to increased environmental stressors. It is an advanced formula that contains a combination of factors, not found in other calming formulas, that support balanced behavior.

Directions for Use: Administer whole tube. During periods of dynamic stressors or when stressors are severe, administration can be repeated 1 hour after first tube and again four hours later.

Product Facts:

Active Ingredients (per tube):

Calming Decapeptide (F-200® Brand milk protein hydrolysate)	1.33 g
L-Theanine (Suntheanine® Brand)	249 mg

Inactive Ingredients: dried hydrolyzed casein, fish oil fatty acids, natural and artificial flavors, sucrose, vegetable oil, whey protein hydrolysate.

Cautions: Safe use in pregnant animals or animals intended for breeding has not been proven. If animal's condition worsens or does not improve, stop product administration and consult your veterinarian.

Warnings:

For animal use only.

Keep out of the reach of children and other animals. In case of accidental overdose, contact a health professional immediately.

This product should not be given to animals intended for human consumption.
