Cautions: Safe use in pregnant animals or animals intended for breeding has not been proven. An examination from a veterinarian is recommended prior to using this product. Consult with your veterinarian before using this product in animals: with clotting disorders; being treated with anticoagulant medications; diabetes, or any metabolic disorder causing hyperglycemia; history of urinary tract stones; known allergies to shellfish. If lameness worsens, discontinue use and contact your veterinarian. Administer during or after the animal has eaten to reduce incidence of gastrointestinal upset.

For use in dogs only.

Recommended to support: Healthy immune function, healthy skin and hair, healthy joint cartilage, joint health and flexibility.

Directions for Use: Give one (1) chewable tablet per day for dogs weighing less than 50 lbs and two (2) chewable tablets per day for dogs weighing 50 lbs or more. Can be given during or after meal time.

Warnings: For animal use only. Keep out of the reach of children and other animals. In case of accidental overdose, contact a health professional immediately. Protect from heat, light and moisture. Do not purchase if safety seal is missing or broken. Store at 15-30°C (59-86°F).
