## **Feline Furball Plus Bite-Sized Chews**

### **Supports Healthy Skin, Coat & GI Tract**

**Vetri-Science Feline Furball Plus** is formulated to support healthy skin, coat and GI tract function. Contains fatty acids, antioxidants and psyllium fiber for digestive wellness. Papain is an add enzyme that supports the breakdown of the mucous material that holds hairballs together. Vetri-Science has left out mineral oils and diuretic herbals, thereby creating an advanced formula to support skin, hair and digestive tract health.

### **Veterinarian Approved**

#### **Active Ingredients Per 2 Soft Chews:**

- Moisture . . . 13.98%
- Zinc . . . 0.4 mg
- Biotin . . . 0.028 mg
- Papain (Papaya) . . . 40 USP units
- Omega 6 Fatty Acids . . . 30.7 mg
- Omega 3 Fatty Acids . . . 38.6 mg
