**Inactive Ingredients:**

brewers yeast, cellulose, dicalcium phosphate, natural imitation roast chicken flavor, silicon dioxide, stearic acid.

GlycOmega™ is a trademark of Aroma New Zealand Ltd.

**Cautions:**

Safe use in pregnant animals or animals intended for breeding has not been proven.

Consult with your veterinarian before using this product in animals: with clotting disorders; being treated with anticoagulant medications; diabetes, or any metabolic disorder causing hyperglycemia; history of urinary tract stones; known allergies to shellfish.

If lameness worsens, discontinue use and contact your veterinarian.

Administer during or after the animal has eaten to reduce incidence of gastrointestinal upset.

**For use in dogs only.**

**GLYCO-FLEX™ III** represents Stage III of our comprehensive stage of life program for dogs needing advanced joint support. These delicious natural imitation roast chicken flavored chewable tablets are recommended by veterinarians for dogs with a maximum need for joint and connective tissue support, geriatric and working dogs as well as a follow-up to orthopedic surgery.

**Directions for Use:**

**Initial: (4 -6 Weeks)**

Up to 30 lbs:	1/2 tablet daily
31 - 60 lbs:	1 tablet daily
61 - 100 lbs:	2 tablets daily
