

Greenies Lite Treat Pack, Large 12 oz. (8 Count)

## **Dogs Dental Care Treats**

Concerned that your dog might be putting on a few extra pounds? Then GREENIES LITE™ dental chews are the ones for them. GREENIES LITE™ dental chews are specifically formulated to help clean teeth and support weight management. Not only are they low in calories, but they're rich in vitamins, antioxidants and minerals.

### **New Enhanced Recipe**

GREENIES LITE™ dental chews now contain added natural sources of antioxidants to help support or promote a healthy immune system, as well as natural sources of dietary fiber for digestibility. Plus, our new recipe now carries the Veterinary Oral Health Council (VOHC) Seal of Acceptance.

### **Calorie friendly**

Overweight or less active dogs still require clean teeth and fresh breath. GREENIES LITE™ dental chews provide the same teeth cleaning benefits as our GREENIES® dental chews, but with fewer calories.

### **4 Great sizes to suit your dog**

GREENIES LITE™ dental chews come in four sizes so that every dog - no matter how big or small - can enjoy a healthy chew: TEENIE™ dental chews, Petite, Regular, Large.

### **Delicious and Nutritious**

GREENIES LITE™ dental chews are packed with antioxidants, vitamins and minerals, providing your dog with the nutrients he needs, while helping keep him slim and trim.

### **Easy to digest**

Like all GREENIES® dental chews, GREENIES LITE™ dental chews are highly soluble, and formulated for easy digestion.

### **Nutrition**

**GREENIES LITE™** dental chews are specifically formulated to help clean teeth while facilitating weight management of your dog. They're low in calories and rich in vitamins, antioxidants and minerals. Plus, the NEW enhanced recipe now contains natural sources of antioxidants (to help support or to promote a healthy immune system) and fiber (for digestibility).

### **Ingredients**

*(Kcals/treat)	

### Feeding Guidelines

Feed 1 GREENIES LITE™ dental treat per day. Not suitable for dogs less than 5 lbs or dogs less than 6 months of age. Fresh drinking water should always be available.

ATTENTION: As with any edible product, monitor your dog to ensure the treat is adequately chewed. Gulping any item can be harmful or even fatal to a dog.

**This chart will help you choose the right size GREENIES LITE™ dental chew for your dog:**

	Large	dogs 50-100 lbs/22-45 kg
	Regular	dogs 25-50 lbs/11-22 kg
	Petite	dogs 15-25 lbs/7-11 kg
	TEENIE™	dogs 5-15 lbs/2-7 kg
