HARMONEASE™ CHEWABLE TABLETS

V.P.L.

For the management of stress related behaviors in dogs

Active Ingredient: Extracts of *Magnolia officinalis* and *Phellodendron amurense* 500 mg

KEEP OUT OF REACH OF CHILDREN

Product Facts

Active Ingredient per tablet:

Extracts of <i>Magnolia officinalis</i> and <i>Phellodendron amurense</i> (Relora®)	500 mg
Honokiol (standardized)	9.5 mg

Indications: Recommended for use in the management of stress related behaviors in dogs.

Caution: If animal's condition worsens or does not improve, stop product administration and consult your veterinarian.

Directions for Use:

For dogs up to 50 lbs, give 1/2 tablet once a day.

For dogs over 50 lbs, give one tablet once a day.

Harmonease™ has been evaluated in kenneled dogs and shown to stop stereotypical behavior, such as lick granuloma, spinning and cowering within five days of administration.*

*Data on file
