Hide A Pill Treats for Dogs

Natural Roasted Chicken Flavor Treats For Dogs

Hide A Pill dog treats are made using TRP Advanced Soft Chew Technology offering unparalleled softness, palatability and malleability for giving tablets or capsules. The Hide A Pill shape is designed to effectively disguise medications and make it easy to administer any size tablet, capsule or pill. Hide A Pill treats are a one-size-fits-all solution for all dog breeds and all sizes of medications.

Dogs love the chicken flavor and taste of Hide A Pill and readily accept their daily medications, supplements or vitamins.

Directions:

- Feed as a treat.
- Hold the Hide A Pill between thumb and forefinger. Insert the tablet or capsule in the hole and mold the Hide A Pill to cover the entire tablet or capsule.
- Give to your dog.
- For smaller dogs, should some of the Hide A Pill remain after molding around the medication, feel free to give as a treat.
