## HUMILAC® SPRAY

Virbac

**Active Ingredient(s):** Contains purified water, propylene glycol, urea, lactic acid, glycerin, benzalkonium chloride, fragrance.

**Indications:** HUMILAC® is a soothing dry skin treatment incorporating an oil free humectant. Formulated to aid in moisturizing dry skin and in restoring luster to the hair coat without leaving a greasy or oily film.

**Dosage and Administration:** While parting the hair, thoroughly spray the entire coat. Groom as usual. Use once a day or as recommended by a veterinarian.

May be used as an after shampoo rinse. Add five (5) capfuls of HUMILAC® to one (1) quart of warm water. Pour the solution over the animal, avoiding the eyes and the ears.

**Presentation:** 8 fl. oz. (237 mL) container.

**NAC No.:** 10230371
