**I-Lid 'n Lash® Hygiene Vet**, cleansing gel prevents tears stains, eliminates facial fold odors and treats extra-ocular inflammation

CAUTION: Do not use on broken or abraded skin

### **Simple**

Once-a-day application

### **Safe**

No antibiotics or harsh chemicals

### **Effective**

Treats extra-ocular inflammation

Prevents tear stains and facial fold odors

**I-Lid 'n Lash® Hygiene Vet** is the safest and most effective way of preventing tear stains, facial fold odors, and treating extra-ocular inflammation. It may be used to remove excess secretions and debris from eyelids and eyelash roots. One simple daily application without the risks of systemic antibiotics or harsh chemicals.

**I-Lid 'n Lash® Hygiene Vet** is recommended for daily use.

**INGREDIENTS:** water, poloxamer, polyethylene glycol, borate, hyaluronan, carbopol 940, methylparaben.

**INSTRUCTIONS FOR USE:** 1) Apply a moist, warm compress to eyelid in order to loosen encrusted debris and secretions. 2) Gently rub eyelids and eyelash roots with the I-Lid 'n Lash<sup>®</sup> Hygiene Vet impregnated wipe in a circular motion until all debris is removed. 3) Any remaining I-Lid 'n Lash<sup>®</sup> Hygiene Vet need not be rinsed off. 4) Repeat as needed for the second eye using a clean wipe.

**Manufactured in Canada for:** i-med ANIMAL HEALTH, A Division of I-MED Pharma Inc., 1601 boul. St. Régis, Dollard des Ormeaux, QC, Canada H9B 3H7
