

K-Pectin

Anti-Diarrhea Pet Meds

Kaolin Pectin Anti-Diarrheal

An Anti-Diarrhea for cats, dogs, birds, ferrets, sheep, goats and small animals. This anti-diarrhea relieves irritation, discomfort and cramps associated with diarrhea. K-Pectin combines Kaolin, which is an anti-diarrhea medicine additive for the absorption of toxins and Pectin, which is a soluble dietary fiber naturally present in citrus fruits. K-Pectin comes in a pleasant tasting, palatable liquid for ease of use.

Directions for use:

Shake well before each use. Mix K-Pectin with food, water or feed directly from a teaspoon. There should be a noticeable improvement within 2 to 3 days.

Caution: If symptoms persist for more than 2-3 days, consult your veterinarian.

1 Tsp = Approx 75 drops
