

Kong Stuff'n Peanut Butter Flavor

Product Description:

Kong Stuff'n Peanut Butter Flavor is specially formulated for dogs to promote healthy skin and coat.

Directions:

Apply a small amount of Kong Stuff'n to the inside surface of the Kong toy. Hold toy in one hand with the large hole upright. Place index finger of the other hand on the nozzle, turn the can upside down at a 45 degree angle, insert the nozzle into the Kong and press carefully.

Suggested serving size is one teaspoon.

For Kong Dental Toys: Insert nozzle into a groove of the toy and press carefully while applying a small amount of Kong Stuff'n across the groove.

Note: The delicious flavor of Kong Stuff'n is concentrated- a little goes a long way. Not for human consumption.
