

Kong Wubba Cat Mouse Toy

KONG Cat Wubba toys are specifically developed to appeal to a cat's instinctive desire to stalk and capture prey. All Cat Wubba toys rattle and infused with pure North American natural catnip. The unique tails make a "crackle" sound that rewards contact and encourages continued play. This Wubba toy promotes realistic wrestling and the long tails are perfect targets for hind paw kicking.

The Ultimate Cat Toy

- Stimulates cat's sense of sight, sound, smell and touch
- Natural catnip encourages playful behavior
- Rattle and tail with a crinkle sound rewards capture and encourages further play.
