Available Exclusively from Veterinarians

All-in-one Superfood Supplement with added Glucosamine for joint support that targets the nutritional gap between what nature provides and what is available in processed foods.

Supporting Nutrients for:

Healthy Joints - Sustained Energy - Healthy Skin and Coat - Healthy Digestion - Normal Weight

This unique synergistic blend of the highest quality ingredients combines:

- **Omega fatty acids** to support cardiovascular and intercellular health, for absorption of fat soluble vitamins, and to maintain energy levels.
- **Dietary fiber** to promote a healthy digestive system.
- **Phyto (plant) nutrients** to support general health and nutrition.
- **Glucosamine HCl** for healthy joints.

Feeding Instructions:

Add The Missing Link[®] to your dog's regular diet according to its body weight. Due to the high fiber content, start with small amounts and gradually increase to the recommended level over the course of a week or two.

Daily Intake: 1 Teaspoon per 25 lbs. of body weight

Weight of Animal	Amount
25 lbs.	1 teaspoon
50 lbs.	2 teaspoons
75 lbs. (avg. size)	3 teaspoons
100 lbs.	4 teaspoons

This product is intended for intermittent or supplemental feeding only.

The 1lb. pouch is approximately a 2-month supply for an average size dog.
