*“A natural supplemental aid in treatment protocols.”*

*Robert M. Collett, D.V.M.*

**The Missing Link® Professional Strength Veterinary Formula** provides a synergy of unique ingredients for use as an adjunct to recovery, inflammatory conditions, and detoxification.

- Omega fatty acids support immune function, cardiovascular and intercellular health
- Dietary fiber and probiotics promote a healthy digestive system and improve nutrient absorption

- Phyto (plant) nutrients offer health benefits and general nutritional support

- Vitamin E provides antioxidant protection

**NO ADDED FILLERS, PRESERVATIVES, SUGARS, ARTIFICIAL COLORS OR FLAVORS**

**The Missing Link<sup>®</sup> Professional Strength Veterinary Formula** for dogs and cats is manufactured using a proprietary, patented cold-process method. This ensures the freshest delivery of precious Omega 3 fatty acids in a whole food blend, offering the ultimate nutritional support for overall health and well-being.

*Because of the high fiber content, start with small amounts and gradually increase to the recommended level over the course of one to two weeks.*
