NO GO! HOUSE BREAKING AID FOR PETS, 16 OZ.

Product Description:

Pet Organics No-Go! has been developed to help you housebreak your pet. No-Go! will eliminate the urine scent so your pet will not re-urinate in that area. Works great on indoor plants and Christmas trees too! For outdoor plants, use Pet Organics Pet Stopper.

- An Effective Aid in Preventing Your Pet From Re-Urinating on Carpets While Being Housebroken
- Safe, Odorless, Effective!

Directions:

Clean soiled area thoroughly with carpet/upholstery cleaner such as Pet Organic's Rub Out Stain and Odor Remover, then spray with No-Go! Repeat if necessary. If using on a wall or other flat, vertical surface, tape a cloth on the surface before spraying.

NOTE: No-Go! may be ineffective if ammonia is used to clean soiled area or if your pet has a urinary infection. See your veterinarian for diagnosis.
