GlycOmega™ is a trademark of Aroma New Zealand Ltd.

For use in cats only.

Recommended to support cardiovascular, liver, cognitive, and eye functions as well as maintenance of the physical and mental well-being of senior cats.

Directions for Use:

Adult Cat: Give 4 chews daily, divided between AM and PM.

Inactive Ingredients: brewers yeast, canola oil, chicken liver flavor, citric acid, glycerin, mixed tocopherols, propionic acid, soy lecithin, a proprietary blend (maltodextrin, sodium alginate and calcium sulfate), rosemary extract, silicon dioxide, vegetable oil, whey.

Cautions:

Consult with your veterinarian before using this product in animals: with clotting disorders; being treated with anticoagulant medications; diabetes, or any metabolic disorder causing hyperglycemia; history of urinary tract stones; known allergies to shellfish.

If lameness worsens, discontinue use and contact your veterinarian.

Administer during or after the animal has eaten to reduce incidence of gastrointestinal upset.

Safe use in pregnant animals or animals intended for breeding has not been proven.

May interfere with uptake of P450 drugs.

Warnings:

For animal use only.

Keep out of the reach of children and other animals. **Some pets may consider this a treat.** In case of accidental overdose, contact a health professional immediately.

This product is packaged by weight, count is approximate.

Store in a cool, dry place.
