OMEGADERM® FOR SMALL DOGS & CATS

Virbac

## DERMATOLOGY

**ESSENTIAL FATTY ACIDS OMEGA 6 AND OMEGA 3 PLUS VITAMINS A & E**

**A HIGHLY PALATABLE NUTRITIONAL SUPPLEMENT FOR SMALL DOGS & CATS**

EZ Compliance®

## CAUTION

**Keep out of the reach of children. Store in a cool and dry place.**

## WHAT IS OMEGADERM®?

OMEGADERM® is a **potent nutritional supplement** providing the best **essential fatty acids (EFA)** from the **omega 6** and **omega 3** families. OMEGADERM® is formulated in an ideal **5:1 ratio** of omega 6 to omega 3, **recommended by veterinary dermatologists**. OMEGADERM® helps in the control of various dermatological conditions in dogs and cats, particularly in **allergies** by working on two complementary levels:

Level 1: Restoration of skin integrity

Level 2: Inflammation regulation (redness & itching)

In addition, OMEGADERM® supports your pet's natural defenses that keep them healthy.

## INGREDIENTS

Sunflower seed oil, cold sea fish oils, evening primrose oil, tocopheryl acetate, butylated hydroxyanisol, retinyl palmitate.

**Only available through licensed veterinarians.**

**Always use as directed by your veterinarian.**

## HOW DO YOU GIVE OMEGADERM® TO YOUR PET?

**To open a packet**, tear or cut along the perforation.

**Squeeze** the contents of the packet onto your pet's **usual food and mix**.

OMEGADERM® is **highly palatable** for both dogs and cats.

## HOW MUCH AND HOW OFTEN SHOULD YOU GIVE OMEGADERM®?

**Two simple and easy options:**

**For use with a dermatological condition**, give **one packet** *per day*.

**For maintaining healthy skin and hair coat**, give **one packet** *every other day*.

Please refer to the **follow-up calendar** on the back of the box.

**TO OPTIMIZE RESULTS, IT IS IMPORTANT TO KEEP IN MIND**

- the **quantity** of product to be given,
- the recommended **duration**,
- the **frequency** of administration,
- the eventual **follow-up visits**.

Following these fundamental rules is called **compliance**.

To help you in this task, you will find a **follow-up calendar** on the back of the box corresponding to the dosage recommendations of your veterinarian.

### Follow-up calendar based on recommended dosage

**For use with dermatological conditions (red circle) - 1 packet per day (one box treats for 4 weeks)\***

\* 8 weeks of use may be necessary.

To be renewed in accordance with the recommendations of your veterinarian.

**For maintaining healthy skin and coat (green circle) - 1 packet every other day (one box treats for 8 weeks)\***

\* To be renewed in accordance with the recommendations of your veterinarian.

**Step 1 - Choose the circle that corresponds to the recommendations of your veterinarian.**

**Step 2 - Cross out the current day after giving the packet. The arrow indicates the next day where another packet is to be given.**
