PERIO PLUS FELINE BITES

Vetri-Science

Polishing POWER!

For Cats

Everyday Pet Health

Dual Action

Dental Support

The *inside* features CoQ10, natural zeolites and probiotics for complete dental support!

The *outside* polishes with pumice and provides support for odor neutralizing!

Which do you hate more: Cleaning cat teeth or smelling cat breath? For us, it's a tie. That's why we designed Perio Plus Feline Bites, a two-layer formula to support freshness between cleanings. The crunchy outside freshens and shines with spirulina and polishing pumice. The soft inner core supports plaque penetration with our original Perio Support formula and a helping of CoQ10. Did we mention that these little bites also support healthy gums? **Crunch on, Felix. Crunch on.**

Product Facts:

Active Ingredients per bite:

Spirulina	30 mg
yielding Chlorophyll	0.6 mg
