Cautions:

Safe use in pregnant animals or animals intended for breeding has not been proven.

If animal's condition worsens or does not improve, stop product administration and consult your veterinarian.

Administer during or after the animal has eaten to reduce incidence of gastrointestinal upset.

For use in dogs and cats only.

Perio-Support is designed to support your pet's periodontal health.

Formulated specifically to be used between veterinarian dental cleanings to maintain clean teeth and fresh breath.

This product is recommended to control plaque formation and support gum health.

Directions For Use:

Give 1 teaspoon per meal.

Do not use if inner seal is broken.

Warning:

For animal use only.

Keep out of the reach of children and other animals. In case of accidental overdose, contact a health professional immediately.

Keep tightly sealed.

Store in a cool, dry place.

Refrigerate after opening for optimal viability of direct fed microbials.
