PHYTOVET P ANTI-ITCH SHAMPOO

Butler Schein™ Animal Health

For temporary relief from itching, flaking and irritation in dogs, cats and horses.

Helps restore the dermal lipid barrier to prevent further damage to the skin.

FOR VETERINARY USE ONLY

KEEP OUT OF THE REACH OF CHILDREN

Active Ingredients: Pramoxine Hydrochloride 1%, Phytosphingosine-salicyloyl 0.05%.

Properties: PhytoVet P Anti-Itch Shampoo is a gentle cleansing shampoo containing pramoxine and micronized colloidal oatmeal to provide temporary relief from itching, flaking, and irritation. PhytoVet P Anti-Itch Shampoo also contains Phytosphingosine, a pro-ceramide with anti-inflammatory properties, to help reduce irritation and restore the dermal lipid barrier to help in the long term management of skin disorders. The soap-free formulation also contains Omega-6 Essential Fatty Acids to nourish the skin and further control irritation. This unique combination of ingredients delivers optimal therapeutic effect on dogs, cats, and horses.

Directions for Use: Shake well before use. Wet the hair coat with warm water and apply a sufficient amount of shampoo to create a rich lather. Massage shampoo into wet hair coat, lather freely. Allow to remain on hair for 5 to 10 minutes then rinse thoroughly with clean water and repeat. May be used as often as necessary, or as directed by veterinarian.

Precautions: For topical use on animals only. If redness or irritation persists or increases, discontinue use and consult a veterinarian. Avoid contact with the eyes. If eye contact occurs, rinse thoroughly with water and consult a veterinarian.

Storage: Store at controlled room temperature.

Manufactured for Sogeval Laboratories, Inc., Coppell, TX, 75019
