**REBOUND® OES**

Virbac

**CRITICAL CARE**

EZ Compliance™

*Oral Electrolyte Solution*

A HIGHLY PALATABLE ORAL ELECTROLYTE REPLACER FOR DOGS AND CATS

**FORTIFIED WITH TAURINE**

Use as directed by your veterinarian.

For intermittent or supplemental feeding.

**Refrigerate after opening.**

**REBOUND OES** is a highly palatable, ready-to-use, oral electrolyte solution for dogs and cats. **REBOUND OES** was formulated by veterinarians and nutritionists to help fight dehydration associated with gastrointestinal distress, surgical procedures, and physical activity.

**REBOUND OES** provides an appropriate balance of fluids, electrolytes, minerals, and calories convalescing and active dogs and cats require that cannot be obtained from water alone.

**REBOUND OES** also contains an amino acid - Taurine.

Taurine is an antioxidant that is important for cardiac function, the brain, nervous system and visual pathways. Taurine also serves as a conjugator of bile acids.

**USES: REBOUND® OES** may be used to orally replace fluids lost from:

- General Dehydration
- Vomiting
- Diarrhea
- Surgical Procedures
- Parvovirus
- Refrigerate after opening
- Good for 14 days after opening
- Do not microwave in carton
- Safe for geriatric dogs and cats

**FEEDING DIRECTIONS:** SHAKE WELL BEFORE USING. No dilution or measuring is required. **REBOUND OES** may be offered free-choice. In addition, **REBOUND OES** may be warmed to increase palatability or frozen into cubes to better regulate fluid consumption in convalescing animals. Replace unused portion after 12 hours. Use as directed by your veterinarian.

<i>Post-Op Recovery</i>	Offer free-choice for 2 - 4 days.
<i>Diarrhea / Vomiting</i>	Offer small frequent amounts (approx. 3 - 4 oz) 3 - 4 times daily until recovered.
<i>Physical Activity</i>	Offer free-choice during and/or immediately following physical activity to replace fluids lost as the result of work or play.

**INGREDIENTS:** Water, High Fructose Corn Syrup, Chicken Flavor, Taurine, Phosphoric Acid.

Calorie Content (ME)	60 kcal/8 fl. oz. (237mL)
