Dog Pill Dosing Aids

There's no better or more convenient way to get your dog to accept veterinarians' prescriptions than Pill Pals.

- Dogs Love the Taste!
- Fresh Chicken is the #1 Ingredient
- Corn Syrup Free
- No Added Flavorings

Easy to Use: Simply sandwich two treats together around the pill.

Choose convenient, healthy and reliable Pill Pals as an easy way to dose your best friend.

Pill Pals are available in two sizes to accommodate both large and small pills.

Feeding Instructions: Mold two treats to completely enclose the pill, then feed to your dog as you would a treat.

Ingredients: Chicken, chicken liver, wheatflour, glycerin, chicken meal, propylene glycol, phosphoric acid, salt, vegetable oil, methycellulose, potassium sorbate, and citric acid and BHA and calcium propionate (preservatives), iron oxide.
