ELDERLY DOGS

Uses:

Supports brain function in elderly dogs

Composition: Each capsule contains

Phosphatidylserine	62.5 mg
Ginkgo Biloba extract	25 mg
Vitamin B6	51.25 mg
Vitamin E	83.75 mg

Other Ingredients: Grape extract (resveratrol), cod liver oil, seed oil products and byproducts, gelatin, glycerin, glyceryl, monostearate, titanium dioxide, FD&C Red 40

Guaranteed Analysis: Proteins 22.5%, Oils and Fats 46%, Cellulose <1%, moisture 6%, Ash 6%, Vitamin E (33.5 mg), Vitamin B6 (20.5 mg)

Properties

Senilife™ is a nutritional supplement indicated for the signs of brain aging in elderly dogs, which can provide an improved quality of life for the elderly pet, delay the appearance of age-related behavior problems, and reduce the need for age-related dependencies to the owner.

Phosphatidylserine-Naturally occurring membrane phospholipid.

- Provides neuronal protection

- Maintains neuron function in the aging brain

Ginkgo Biloba

- Antioxidant activity

- Improved cerebral blood circulation

Directions for Use:

To be given orally once daily for 1-2 months (Consult your Veterinarian for continued administration after this time)

Dogs:

51-99 lbs.	1 Capsule
100 lbs. and greater	2 Capsules

Method of Administration:

Place entire capsule directly into dog's mouth
