## **VETRI-CINE 1000 MG POWDER**

Vetri-Science

## FOR HORSES

### Veterinarian Approved

National Animal Supplement Council

THE BENCHMARK OF QUALITY<sup>TM</sup>

### A Formula to Support Immune System Function, Cardiovascular Health, and Endurance.

**Product Facts:** 

Active Ingredient Per 12 g Scoop:

N,N-Dimethylglycine HCI 1,000 mg

### **Inactive Ingredients:**

calcium carbonate, diatomaceous earth.

#### **Cautions:**

Safe use in pregnant animals or animals intended for breeding has not been proven.

If animal's condition worsens or does not improve, stop product administration and consult your veterinarian.

#### Store in a cool, dry place.

# Keep container tightly closed.

This product is packaged by weight not by volume. Some settling may occur.

# For use in horses only.

N,N-Dimethylglycine (DMG) is an intricate part of animal metabolism and is produced in the horse's body. Because DMG helps your horse use oxygen better at the cellular level, it can reduce lactic acid build up, shorten recovery time after strenuous exercise and reduce cramping. DMG also supports proper immune system, cardiovascular, and respiratory functions.

U.S. PATENTS #4,994,492 #5,026,728 #5,118,618

# **Directions for Use:**

Performance: 1 scoop twice daily for 3 - 4 days prior to heavy activity. Then go back to maintenance level.

Stress: 1 scoop twice daily for 14 days. Then go back to maintenance level.

Maintenance: 1 scoop per day.

## Warnings:

For animal use only.

Keep out of the reach of children and other animals. In case of accidental overdose, contact a health professional immediately.

This product should not be given to animals intended for human consumption.
