VETRI-CINE 1500 MG POWDER

Vetri-Science

A Formula to Support Immune System Function, Cardiovascular Health, and Endurance

FOR HORSES

Veterinarian Approved

Product Facts:

Active Ingredient Per 13.6 g Scoop:

N,N-Dimethylglycine HCl	1,500 mg
-------------------------	----------

Inactive Ingredients: calcium carbonate, diatomaceous earth.

Cautions: Safe use in pregnant animals or animals intended for breeding has not been proven. If animal's condition worsens or does not improve, stop product administration and consult your veterinarian.

For use in horses only.

N,N-Dimethylglycine (DMG) is an intricate part of animal metabolism and is produced in the horse's body. Because DMG helps your horse stay in peak condition, it can reduce lactic acid buildup, and shorten recovery time after strenuous exercise. DMG also supports proper immune system, cardiovascular, and respiratory functions.

Directions for Use:

Performance: 1 rounded scoop twice daily for 3 - 4 days prior to heavy activity. Then go back to maintenance level.

Stress: 1 rounded scoop twice daily for 14 days. Then go back to maintenance level.

Maintenance: 1 rounded scoop per day.

Warnings: For animal use only.

Keep out of the reach of children and animals. In case of accidental overdose, contact a health professional immediately.

This product should not be given to animals intended for human consumption

Store in a cool, dry place.

Keep container tightly closed.

This product is packaged by weight not by volume. Some settling may occur.
