## **VETRI-SAME 90**

Vetri-Science

### **Veterinarian Approved**

National Animal Supplement Council

THE BENCHMARK OF QUALITY™

**Liver Support Formula with SAME and Glutathione for Dogs and Cats**

### **Product Facts:**

#### **Active Ingredients Per Tablet:**

S-Adenosylmethionine (SAME)	90 mg
L-Glutathione (Enteric Coated)	10 mg

**Inactive Ingredients:** crospovidone, magnesium stearate, microcrystalline cellulose, silicon dioxide, stearic acid, Enteric Coating Ingredients Include: glycerol triacetate, hydroxypropyl methylcellulose phthalate, red #40, titanium dioxide, yellow #10.

### **Cautions:**

Safe use in pregnant animals or animals intended for breeding has not been proven.

If animal's condition worsens or does not improve, stop product administration and consult your veterinarian.

**For use in small dogs and cats only.**

Recommended to support proper liver function.

**Directions for Use:**

Up to 12 lbs: Give 1 tablet daily.

For best results, give on an empty stomach one hour prior to feeding.

**Vetri-SAMe 90** is a synergistic blend of SAMe with Glutathione to support liver function. Optimal absorption of SAMe occurs in the small intestine. For this reason, tablets are enteric coated to protect the ingredients from stomach acid. Do not crush or break tablets, as this damages the enteric coating and thereby inhibits absorption.

**Warnings:**

For animal use only.

Keep out of the reach of children and other animals. In case of accidental overdose, contact a health professional immediately.

**Do not remove tablets from blister pack until used.**

**Store in a cool, dry place. Do not refrigerate.**

**Distributed by Vetri-Science® Laboratories**, A Division of FoodScience Corporation, 20 New England Drive, Suite 10, Essex Junction, VT 05452 USA
